Developed in partnership with

THE CONFUCIUS INSTITUTE
THE UNIVERSITY OF UTAH
Special offer to Utah State Board of Education Public Schools
Elementary, Middle and Junior High Schools

Product Highlights
- Developed with the University of Utah Confucius Institute to provide a core curriculum for dual language immersion programs
- Available online and as printed readers for take-home and in-class reading
- Learning based on upward spiraling and repetition in context
- Features relatable stories in fun and simple settings using school, family and playtime topics
- Leverages Rebus images to stimulate expanded narrative storytelling beyond set scope and sequence vocabulary from Foundation to Novice 3
- Uses pinyin to expand narrative storytelling beyond set scope and sequence vocabulary from Intermediate 1-4 with teacher-tested scaffolding
- Structured with units that use the same vocabulary across three books (or chapters in Intermediate 1-4) and across levels, to ensure repetition in a variety of contexts to reinforce learning outcomes
- Supported by digital 15-day lesson plans, curriculum maps, teacher guides and student worksheets
- Can differentiate for students with supportive or accelerated readers from the Online Classroom

Teaching Materials:
- Foundation: 10 units (Two Big Books comprised of five readers each for teacher to read to class, 10 readers for class to read with teacher and 10 readers for student to read)

We have listened to feedback from our users and will soon launch an improved Online Classroom which will enhance your students’ learning experience. The new look Online Classroom will be easier to navigate and allow for an improved user experience both in the classroom and on the move. It will be available for the 2019/2020 academic year and will be desktop, tablet and mobile-compatible.
Introducing Our Brand-new Parent Portal

For the new academic year, Mandarin Matrix is excited to be able to offer the option for parents to watch their child’s Mandarin proficiency progress through the brand-new Parent Portal. Developed to help parents gain greater insight into their child’s learning journey, the Parent Portal will allow parents to get a snapshot of their progress on the Dashboard and delve further into their results in our progress pages. Parents will also be able to pay for the Student & Parent Online License package directly on the Parent Portal.
