**Directions** Have children listen to each number story. Then write a number sentence that tells the story. Rebecca finds 1 red marble. Then she finds 3 blue marbles. How many marbles are there in all? Billy picks up 4 pine cones. Then he picks up 2 more. How many pinecones are there in all? Rob saw 3 brown leaves. Then he saw 3 yellow leaves. How many leaves are there in all? Jill found 3 small bells. Then she found 2 large bells. How many bells are there in all?
