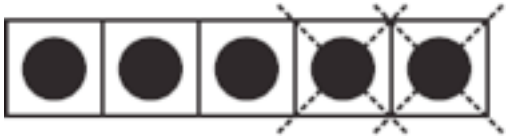
减掉的故事

1

4 减掉 1 是 3 .

2



5 减掉 2 是 _____ .

3

6 减掉 2 是 _____ .

Directions Have children listen to each number story and count and trace the number that tells how many in all. Next children trace the Xs to show how many to take away and trace or write the number that tells how many are left.

1 *Jake shows 4 counters. He takes away 1 counter. How many counters are left?* 2 *Katie shows 5 counters. She takes away 2 counters. How many are left?* 3 *Carter shows 6 counters. He takes away 2 counters. How many are left?*
