

倍数

3 + 3 等于什么？

右边画上三个点来表示倍数。

然后写出算式。

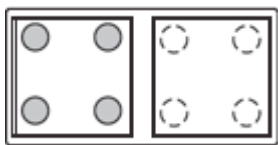

$$\begin{array}{c} 3 \\ + \\ 3 \\ \hline \end{array} = 6$$

$3 + 3 = 6$ 倍数

在右边画上一样的点。

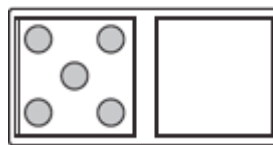

写出加法的算式。

1.

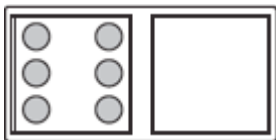

$$4 + \begin{array}{c} 4 \\ + \\ 4 \\ \hline \end{array} = 8$$

2.

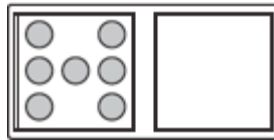

$$5 + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

3.

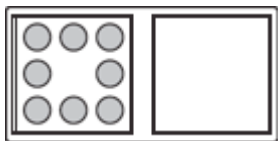

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

4.

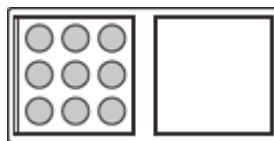

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

5.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

6.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$
