Directions Have children listen to each story, color to show the number of cubes in each group, and then write the number for each group. Then have them write the numbers in order below. 1 *Angel has 2 apples, 1 orange, and 4 grapes. Which group has the most?* Circle the number that tells which group has the most. 2 *Shon has 4 toy trucks, 2 toy planes, and 5 toy cars. Which group has the fewest?* Draw a box around the number that tells which group has the fewest.
